

QUALITY POLICY

S&L PLASTICS, INC. and our divisions are committed to:

QUICKNESS
UNITY
ATTITUDE
LEADERSHIP
INCENTIVE
TRAINING
YOU

From Beginning to End.

Specifically, S&L Plastics is committed to do a quality job from the initial inquiry to the delivery of product or service. This applies to all external and internal customers and suppliers. Objectives of this policy are:

- Q**UICKNESS We will respond promptly and on-time to all customer and supplier needs.
- U**NITY We will work as a team developing long-term relationships, partnerships and loyalties.
- A**TTITUDE We will employ a positive, can-do attitude.
- L**EADERSHIP We will be effective leaders establishing and communicating goals and objectives while providing the resources to accomplish the same.
- I**NCENTIVE We will provide incentives to develop win-win relationships.
- T**RAINING We will provide training where needed.
- Y**OU We request your involvement and will survey and monitor your level of satisfaction to determine our effectiveness in meeting our Quality Policy.
